The Suffolk County Correction Officer's Association proudly represents more than 1400 active and retired Correction Officers who live in Suffolk County. During our screening process, we look for candidates that understand the vital function we provide to the Law Enforcement Community and the needs of our Officers to properly perform our duties.

I would like to thank you for taking the time to come speak with our Executive Board. Your views on issues that affect our members and the safety of our communities are much needed in Albany. We appreciate your service to New York State in past years and know that you will continue to vocally support us in the future.

The Executive Board has unanimously voted to endorse your candidacy in your upcoming election for Senate District 3. We look forward to working with you in the future.

Sincerely,

Louis Viscusi
