Murray for NY Senate  
P.O. Box 185  
Farmingville, NY 11738

## **RE: Campaign Endorsement**

Dear Mr. Murray,

I am happy to inform you of the decision made by the Building and Construction Trades Council of Nassau and Suffolk Counties to endorse your 2022 election campaign as you seek to become a New York State Senator.

We have seen you in action and we know that you have the skills required to ensure that Long Island continues to prosper. It is especially comforting knowing that you are a Davis-Bacon Republican who supports smart economic development in NYS government.

The Council is grateful for your advocacy of the construction trades and wants to join with you to keep the public informed and educated on the value of keeping jobs here in Nassau County. Your eagerness to support Project Labor Agreements is proof that you understand the value of a strong local economy. When it came time to make the endorsement the Council made the right choice because you said all the right things about our issues.

As a result of your support of our local Building Trades affiliates, we are proud to support your continued public service. Your work helped families, while never forgetting to assist small businesses in our local communities, throughout the state and especially the Long Island region. These are just a few reasons why you are clearly the best candidate!

When we are asked who we believe brings the best qualities to Long Island, we all respond without hesitation by stating, "Dean Murray, he has demonstrated his focus on transparency in the past and will keep us moving forward into the future."

Best of Luck,

Matthew Aracich,  
President
