

LIUNA! NY

Dear Candidate Murray,

The hard-working men and women of the Laborers' International Union of North America (LIUNA) officially endorse your candidacy.

Our process was held jointly by the New York State Laborers' PAC and the Mason Tenders' District Council PAC. Together, these two entities make up what is now LIUNA-NY and represent more than 40,000 members across the state.

An endorsement from LIUNA-NY reflects your support of workers and their families. We thank you for your participation and look forward to working together.
